

# Granny Rectangle Pattern

Author: Smitha Katti,  
[www.smilingcolors.com](http://www.smilingcolors.com)

**Skill level:** Beginner/Easy

## Supplies you will need:

- *Size H or I crochet hook*- these are 5mm or 5.5mm in size. Use a crochet hook size recommended for the type of yarn you are using. These days I love using an [ergonomic crochet hook](#)- these are slightly more pricey but are more friendly to your wrist.
- *Yarn*- I have used 4 skeins of the [Red heart super saver yarn](#) (7oz or 198gm each) here. Try to use yarn scraps!

## Terms used:

ch= chain, dc= double crochet, sl st= slip stitch. One cluster = 3 double crochets.

## How to:

*Round 1:* With *Color A* make a slip knot. Ch 4. Join to the first ch with a sl st to make a circle/loop (or alternately make a magic loop).

Ch 2, 2dc into the loop (this forms the beginning cluster), ch 2,\*3dc, ch1\* 2 times into the loop, 3dc, ch2, 3dc, ch2 into the loop, \*3dc, ch1\* 2 times into the loop, 3dc, ch2. Join with a slip stitch to the starting ch2.

This completes the round and forms the center. Change to *Color B* and cut off *Color A* leaving an one inch tail.

*Next rounds:* Join next color with a slip stitch anywhere. Crochet 3dcs in between each cluster from previous round, and in each corner ch 2 space crochet \*3dc, ch2, 3dc\*
