

Because
beautiful
cherry
blossom
blooms,
my favourite
season
is spring

Flowers
don't worry
about how
they're going
to bloom.
They just open
up, turn
towards the
light & that
makes them
beautiful

If we
could see the
miracle
of a single
flower clearly,
our whole life
would
change

The perfect
blossom
is a *rare* thing.
You could
spend your life
looking for one,
and it would
not be a
wasted life.

The
greatest
prayer
is
patience.

Spring
is here &
the cherry
blossoms
are in
bloom
