

life isnt  
about  
waiting for the  
storm to pass,  
its about  
learning to  
*dance*  
in the rain

life does  
not have  
to be  
*perfect*  
to be  
wonderful

life isnt  
about  
finding  
yourself.  
life is about  
*creating*  
yourself

life  
*begins*  
at the  
end  
of your  
comfort  
zone
