Supplies you will need:

A 100% cotton yarn like [Lily Sugar n Cream Yarn](#) and Size 4.5mm Bamboo Straight Needles.

Abbreviations:

k= knit, p= purl (US terms)

Each finished dishcloth measures approximately 8 inches by 8 inches.

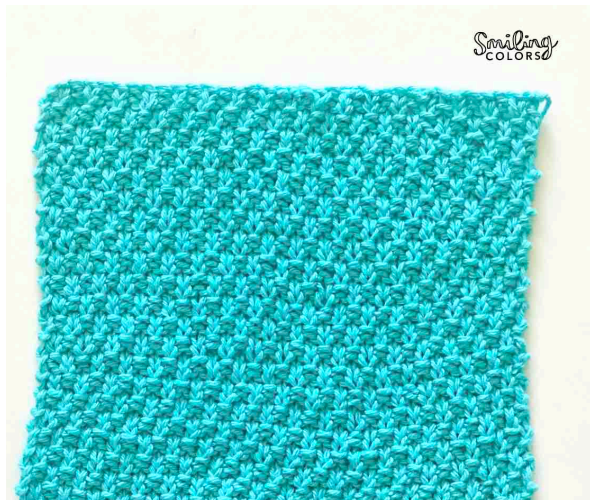

1. Garter Stitch Dishcloth

You need to know just the one basic knit stitch and repeat it over and over again to create a soft, ridge like pattern that creates a reversible fabric.

Cast on 35

Row 1: Knit all stitches

Repeat Row 1 till fabric measures 8 inches and cast off knitwise

2. Double Moss Stitch Dishcloth

Slow to knit, the Double Moss Stitch is like an offset ribbing stitch that creates a reversal fabric with beautiful texture. You need to move the working yarn back and forth between each knit and purl and hence this is a slower stitch.
