Skill Level: Easy

The finished blanket measures approximately 32 inches by 36 inches.

Supplies you will need:

- [Wool-Ease Thick and Quick yarn](#)- I've used 5 skeins in color way Fisherman
- Crochet Hook P, 12mm

Abbreviations:

sc= single crochet, ch= chain (US terms)

Pattern:

Begin with a starting chain of 75

Row 1: sc into 2nd chain from hook, *ch1, skip 1 chain, sc into next chain* to the end

Row 2: ch 1, sc into sc from below row, *ch1, sc into next sc from below row* to the end.

So we are basically creating a chain in the new row where the chain is in the below row and sc into the scs

Repeat row 2 till blanket measures approximately 36 inches. Bind off and weave in the tail of yarn.
